

October, 2020

Big Bear Mountain Patrol supports the highest chair-served ski resort in Southern CA. With over 150 active volunteer ski patrollers, we provide emergency first-response medical care to injured snow sports enthusiasts. National Ski Patrol is the largest Mountain Rescue training organization in the world and Big Bear volunteers create the framework for National Ski Patrol's regional training initiatives throughout Southern California.

We are self-supporting. Donations received from generous contributors like you, are reinvested in training and certification of our members, enhancing and improving safety of the winter sports environment in our local mountains.

As a 501(c)(3) non-profit organization, and unit of National Ski Patrol, the value of your gift is tax deductible. Our Non-Profit Federal Tax identification number is 77-0209921.

100% of your donations go directly to our programs. We are grateful for any contributions or gift in kind donations that will raise necessary funds for our programs. Contact Scott Goodman about corporate sponsorship and branding opportunities. SGoodman@bigbearskipatrol.com.

Sincerely,

A handwritten signature in black ink, appearing to read "Phil Ben-Joseph".
